

India's leading IT Firm and one of the TOP organizations of the world Tata Consultancy Services TCS is hiring through TCS Ninja process for all B.Tech 2022 graduating students from all specializations of the B.Tech.

About TCS Ninja Hiring - Year of Passing 2022

Leading in the new normal has reinforced our global leadership position. It's our privilege and pride to be acknowledged as a preferred partner of innovation and growth by our valued global customers. Likewise, we are proud to be the employer of choice among aspiring students. We are happy to be starting with the TCS Ninja Hiring for YoP 2022 - the disruptive democratized model that proved to be a game-changer for the entry-level talent ecosystem.

TCS inviting you to take a first step in forging a fruitful partnership towards growth and transformational pursuits.

TCS is hiring B.E. / B.Tech / M.E. / M.Tech / MCA/ M.Sc from the Year of Passing 2022.

For more details on eligibility criteria, kindly refer the "Test Eligibility" section below.

Eligibility criteria for TCS Ninja Hiring - YOP 2022:

- Percentage: Minimum aggregate (all subjects in all semesters) marks should be 60% or 6 CGPA in Class Xth, Class XIIth, Diploma (if applicable), Graduation and Post-Graduation examination
- Backlogs / Arrears / ATKT: Students should not have more than 1 active backlog / arrear/ ATKT at the time of appearing for the TCS Selection process in the highest qualification. If selected, students should not have any pending backlog or arrear at the time of joining TCS.
- Gap / Break in Education: It is mandatory to declare gaps in education, if any. Break in education should not be due to extended education (examinations cleared after the time stipulated by the Board / University). Any break in education should not exceed 24 months and is permissible only for valid reasons. Relevant document proof, as applicable, will be checked for gaps in education.
- Course Types: Only Full-Time courses will be considered (Part Time / Correspondence courses will not be considered). Students who have completed their Secondary and / or Senior Secondary course from NIOS (National Institute of Open Schooling) are also eligible to apply if the other courses are full time. All pending backlogs should be completed within the stipulated time duration.
- Work Experience: Students with prior work experience of up to 2 years are eligible to apply for the TCS Ninja hiring process.
- Age: Students should be of 18 to 28 years of age to participate in the TCS Ninja hiring process.
- Courses & Discipline: UG/PG Engineering Courses from B.E. / B.Tech / M.E. / M.Tech / MCA / M.Sc from any specialization offered by the university / college are only eligible to apply.

Important Note:

- You must have all your original academic documents readily available (Mark sheets and degree certificates)
- Communication related to the Test will be communicated to you by TCS iON.
- Test mode (In-Centre or Remote) once selected at the time of 'Apply for Drive' cannot be changed later.
- TCS does not send job offers / any hiring related communication from unofficial email ids like Gmail, Rediff mail, Yahoo Mail, Hotmail etc.
- TCS does not ask candidates to deposit any money for job offers.
- TCS is not associated with any external agency/company to conduct any interviews or make offers of employment on its behalf.

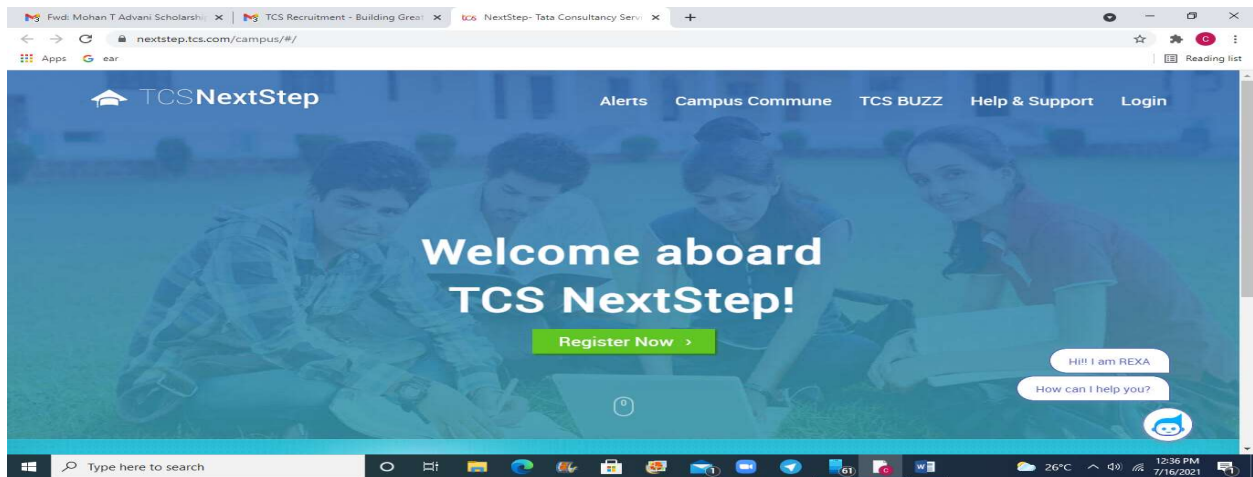

Follow the below process for Applying to this interview.

Step 1:- Click on this link to go to the main page of the TCS Ninja Hiring website: -

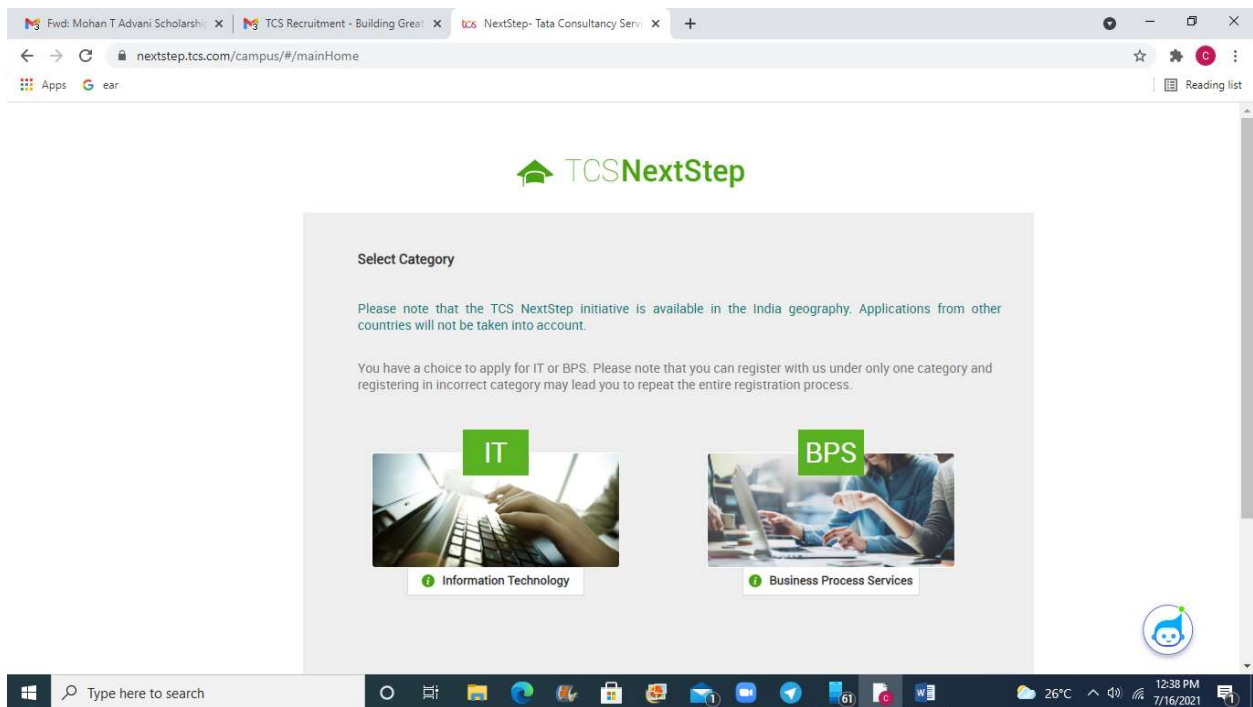

<https://on.tcs.com/3rbqRLz> after clicking the link you will be redirected to this page. All the students are requested to read all the instructions properly before applying or registering for further steps.

The screenshot displays the TCS Ninja Hiring website. At the top, there's a navigation bar with links for Industries, Services, Products & Platforms, Discover TCS, Insights, and Careers. The main banner features the text "#THEBIGMOVE STARTS HERE" and "Register for TCS Ninja Hiring" over a background image of a person in a red shirt. Below the banner, a timeline shows key dates: Registration End Date (15th August 2021), Test Date (30th August 2021 onwards), and Interview Date (To be announced post test results). A prominent blue button labeled "REGISTRATION OPEN" is visible. The section titled "About TCS Ninja Hiring - Year of Passing 2022" provides details about the hiring process, including the company's commitment to innovation and the specific roles being hired (B.E. / B.Tech / M.E. / M.Tech / MCA / M.Sc from the Year of Passing 2022). The Windows taskbar at the bottom shows the system clock as 12:13 PM on 7/16/2021.

Step 2:- Click on **Registration Open TAB** button then you are redirected to TCS Next Step Portal. The below page will appear in TCS Next Step Portal. Then Click on **Register Now** button here.

Step 3:- When click on Register Now button the below page is displayed. Now select **IT** option to apply for Technical profile.(please do not select BPS option as it is open for only Non-engineering students).

Step 4:- Once you select the IT option actual registration page will open has below. Here on the page all the students are instructed to fill in their details properly (advisable to use only Laptop or Desktop to apply or register as it is not mobile friendly application).

Important Points in this Step to be followed:-

- Enter Your Name as per your SSC Certificate only
- While entering your institution name if it does not populate your college name please enter your complete college name correctly. **Eg:-** If it does not show while entering Teegala Krishna Reddy, then enter your college name as Teegala Krishna Reddy Engineering College only do not select the Teegala Krishna Reddy College of Pharmacy as an option. But if you are from TKR

College of Engineering and Technology then it populating TKR you can directly select from the option.

- You should select Qualification has Bachelor of Technology only
- Select year of passing has 2022 only.
- Nearest Test location should be selected has Hyderabad only
- Once you enter all details please verify once again thoroughly and then click on submit button.
